\$15

Decoration Fund

Decorations fund will be \$15 this year. Please pay as soon as possible so we can start purchasing decorations and items for goodie bags. We have decorations night in the locker room for selected home games and the decorations we purchase will be reused if possible. We will be collecting cash as this is a cash fund to be readily available for the purchase of all decorations and food items as needed. Players and managers are included but funds must be contribute per UIL guidelines or we cannot decorate their locker.

This is a paid separately from Booster Fund; please pay cash tonight at the check in desk.

Thank you, KCHS Womens Soccer Booster Club
